Request Details: This is a complaint about Wilson securities
 we all are witness that Wilson securities, who are responsible for
 our safety here, ~~it~~ hit everybody including children. We are
 not feeling safe now. We are making a request to Wilson's boss
 to investigate this matter and answer our questions which are

1. Who is the person responsible for our safety here?
2. Why and with what right did securities hit us?
3. How do we know something like this or worse won't happen again?
4. Some securities made threats, how do we make sure we are safe if they come around?

~~We~~ We are asking that those that made threats to us and hit us
